FOR IMMEDIATE RELEASE

**LOCKHEED MARTIN SUCCESSFULLY TESTS VALDOR CONNECTOR****January 12, 2010 - Hayward, California**

Valdor Technology International Inc. ("Valdor") (TSX: VTI) is pleased to report that Lockheed Martin Corp. ("Lockheed") has purchased and completed initial testing of Valdor's Impact Mount™ miniature SP fiber optic connector. Valdor's patented SP connector is the only field-installable connector to have successfully met Lockheed's stringent high temperature requirements. The SP connector is scheduled to undergo further evaluation by Lockheed in early 2010.

Headquartered in Bethesda, Maryland, Lockheed ( [www.lockheedmartin.com](http://www.lockheedmartin.com) ) is a global security company that employs about 140,000 people worldwide and is principally engaged in the research, design, development, manufacture, integration and sustainment of advanced technology systems, products and services. Lockheed markets a wide range of equipment that uses fiber optic components. The corporation reported sales of US\$42.7 billion for the year ended 2008.

**About Valdor Technology International Inc. ( [www.valdortech.com](http://www.valdortech.com) )**

Valdor is a high technology fiber optic components company specializing in the design and manufacture of new generation fiber optic connectors, laser pigtailed and other optical and optoelectronic components using its proprietary patented Impact Mount™ and HeptoPort™ technologies.

The Valdor line of connectors incorporates the user friendly and environmentally friendly Impact Mount™ technology. Valdor's patented Impact Mount™ technology is all-mechanical with no epoxy or index matching gel required. The Impact Mount™ technology field installable termination kits and connectors are ideal for harsh environment applications and quick repair in the field. Please visit [www.valdor.com](http://www.valdor.com) for complete information on Valdor's product line and other standard passive components including multiplexers, couplers, attenuators, patch cords and cable assemblies.

On Behalf Of the Board of Directors

VALDOR TECHNOLOGY INTERNATIONAL INC.
